DIARY NOTES

25X1A

DD/S

21 July 1964

1. At the Executive Committee Meeting this morning General Carter emphasized that no one is exempt from attending the security reindoctrination lecture. (We should follow up on this to see whether the Office of Security is being aggressive enough in cleaning up this program.)
2. Mr. Kirkpatrick called to inquire whether we had come to any conclusion about making a contribution to the Metropolitan Police Boys' Club. I told him that, in my opinion, we should not. We are not dependent upon this kind of contribution for Metropolitan Police cooperation, and if we make a contribution to this fund then many other charities would feel that they have a right to expect similar treatment.
3.  telephoned to say that Mr. Kirkpatrick had set up a meeting in his office at 1400 hours on Friday, 24 July, with Mr. Horwitz and Lt. Colonel Greenleaf of the Department of Defense to discuss communications service in the Department. I told him that I would make arrangements to attend.
